

# 24029 Insulated shaftless screw conveyor for sludge

## Specifications

### Additional Information:

Product type:	Screw conveyor
Industry:	Waste handling
Applied steel in product:	Carbon steel, Stainless steel
Surface treatment:	Stainless steel – acid pickled
Transported material:	Biomass, Bulk material

# 24029 Insulated shaftless screw conveyor for sludge

## Short Description

### 24029 Shaftless screw conveyor:

#### Function:

- Designed for sludge
- Mainly part of the screw conveyor insulated to avoid frost during winter time.
- The screw is shaftless and fixated in the following end

#### Manufacturing:

- Housing manufactured in 1.4301/AISI-304
- The screw is manufactured in carbon steel
- Lining in PEHD-1000
- Insulation in 50 mm. mineral wool and finalised with an aluminium jacket
