

# 10277 Powder distribution system

## Specifications

### Additional Information:

House:	Through
Industry:	Offshore
Transported material:	Biomass, Powder
Applied steel in product:	Stainless steel
Product type:	Screw conveyor
Surface treatment:	Stainless steel – acid pickled

## Short Description

**10277 – Powder distribution system for the oil and gas industry.**  
Mud-mix system.

### Features:

- All materials in acid proof stainless steel 1.4401 (Aisi-316)
- Adjustable supports to the floor
- Gear motors painted according to off-shore specifications
- Traceability on materials, welding materials and welders
